St. Jude Children's Research Hospital Matching Funds Program

St. Jude Children's Research Hospital accepts matching gifts from all companies that join with their employees to support charitable organizations through monetary donations.

As a donor at this St. Jude fundraiser, please check with your company's Human Resources department to see if a matching gifts program is offered. Keep your receipt from this fundraiser along with the St. Jude brochure and business card from Tiffany Kinzer (brochures at each table). If your company matches funds, please obtain a form from your HR department to complete and send to Tiffany at St. Jude's for verification of your donation so that your company will match your gift. Some companies double, even triple, their employee's gifts to St. Jude! View a list of matching gift companies for St. Jude at <http://www.stjude.org/matchinggifts>. Please ensure this is done no later than 1 week after the event. Contact Tiffany Kinzer, St. Jude at 1-888-493-2883 if any questions about this program.

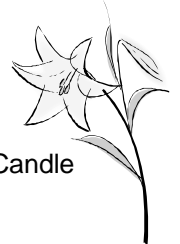

Thank you for asking your company to match your gift to St. Jude. With your help, we can continue the life-saving research and treatment performed at St. Jude Children's Research Hospital.
